

Strengths of the Group

- The independent European leader in multi-technical services:
 - A leading multi-technical services platform in the most attractive European markets
 - An offering focused on mission-critical technical services
 - A technical services offering operated through a high density local network
 - A strong brand and a recognized technical expertise delivered by highly skilled and motivated teams, which are closely associated to the Group's performance
 - A strategic presence on specialized energy segments, delivering strong growth and high margins
- A business model based on recurring revenues
- Implementation of strict control processes to secure the delivery of strong performance by its local management team
- Capitalizing on secular growth drivers
- A history of successfully-integrated acquisitions, demonstrating the Group's ability to participate to the sector's consolidation
- An attractive financial performance with strong visibility
- A strong corporate culture, championed by a highly experienced management team

Our vision

Together with its customers, SPIE aims at bringing progress to the greatest number by improving quality of life and preserving the environment.

Our mission

Support our customers to design, build, operate and maintain facilities that are more energy-efficient and environmentally friendly.

Our values

Local presence, performance and responsibility.
