CDPQ reinvests EUR 100 million in SPIE

Montreal, August 23, 2018 – La Caisse de dépôt et placement du Québec ("CDPQ"), a leading global institutional investor, today announced that it reinvested EUR 100 million in SPIE, the independent European leader in multi-technical services in energy and communications, through the acquisition of 5.84 million additional shares in the past few weeks.

"Being a shareholder since 2011, we have learned about SPIE's fundamentals, which contribute to the company's success: the quality of its services, the soundness of its business model, and the experience of its management team," said Stephane Etroy, Executive Vice - President and Head of Private Equity, CDPQ. "With this new investment, we are pleased to continue supporting the company's growth over the long term."

Since 2011, CDPQ has invested close to EUR 280 million in the company.
