Press release

Angola - SPIE Oil & Gas Services wins a twenty-million-dollars contract

FINA PETROLEOS de ANGOLA (a subsidiary of TOTAL) has awarded SPIE Oil & Gas Services (through its branch in Angola) a US\$ 20 million EPC contract for the construction and pre-commissioning of a new oil flowline at Soyo. The engineering and operations team is already mobilised on site for a 10 months period starting October 2006, and will be managed by a SPIE Oil & Gas Services / AMEC SPIE Capag Joint Venture. The project consists of the set-up of a 150 personnel camp, mobilisation of heavy equipment, pipe laying operations and multinational personnel. This key contract will position the SPIE Oil & Gas Services branch in Angola as a leader for major long-term oil programs in Angola.
