Jean Peyrucq appointed as Operations Director Combustibles Services at SPIE Nucléaire

**Cergy, August 1st, 2019** – SPIE Nucléaire, a subsidiary of the SPIE group, the independent European leader in multi-technical services in the areas of energy and communications, has announced the appointment of Jean Peyrucq to the position of Operations Director – Combustibles Services. His appointment became effective as of 15 April 2019.

Jean Peyrucq, who is 40 years old and a graduate engineer from the École des Hautes Études d'Ingénieur [Graduate School of Engineering], has spent the majority of his career within the VINCI Group (2004-2019). Having initially occupied operational and commercial positions at VINCI Energies, he joined VINCI Concessions in 2016, where he was tasked with structuring maintenance activities at VINCI Airports.

Jean Peyrucq, the Operations Director – Combustibles Services at SPIE Nucléaire, will perform his new role alongside Managing Director, David Guillon. He has therefore become a member of the executive committee and will primarily be tasked with developing maintenance contracts for the fuel cycle and local works.
