

Industrial transfer

Through its Industrial Transfer activity, SPIE Ouest-Centre uses its technical expertise and responsiveness to support its customers around the world in the relocation of their production facilities. The company serves as a single service provider of a multi-technical, turnkey offer.

Our technical expertise

- Multi-technical analysis of facility locations
- Production facilities optimisation (upgrades and compliance with standards)
- Support logistics (handling for airline and/or sea shipping, transport)
- Production site reassembly and commissioning
- Multi-technical maintenance

Activity sectors

- Our multidisciplinary teams work in many activity sectors including the following:
- Automotive parts manufacturing
- Food industries
- Chemical, pharmaceutical and cosmetics industries
- Textile industries
- Cardboard, paper and printing industries
- Electronics industries
- Metal, steel and mechanics industries
- Carpentry, wood, PVC, etc.
