Press release

Le Spallis, a contract worth nearly €9 million for SPIE Ile-de-France Nord-Ouest

Bouygues Immobilier has chosen the HVAC department of SPIE Ile-de-France Nord-Ouest to install the heating, air conditioning and ventilation systems for "Le Spallis" office building in Saint-Denis, near Paris. This seven-storey building with four parking level has a total area of 39,000 sq. m. The services to be provided by SPIE Ile-de-France Nord-Ouest comprise:

- production of chilled water by six water-cooled chilling plants and seven dry-cooled chillers installed on the terrace roof;
- installation of 1,750 two-pipe/two-wire fan-coil units and of four air treatment plants for the building;
- air conditioning of halls by three air treatment plants and heating by heated floors;
- car park ventilation and CO/NOx detection systems;
- smoke removal on landings for handicapped persons, an inter-office restaurant, a showroom and a multipurpose room;
- communicating digital control system with concentrators for relaying to a building technical management system (not included in work package).

The work for this contract, worth €8.79 million, is to be completed by January 2009. Contact SPIE SA Pascal Omnès
