Press release

Maintenance - Major orders for multitechnical, multi-site maintenance and services

With operational support from maintenance crews at all subsidiaries, the Services Development Department has helped obtain a number of national maintenance contracts worth a total of €500,000 in the commercial and industrial sectors since the beginning of the year:

- Orange-FTgroup - Class 4: electrical and HVAC maintenance for "small" sites serving broadband subscribers (broadband subscriber network node) throughout France, for an estimated sum of €100,000 a year;
- AS 24 - petrol stations: electrical maintenance for high and low voltage systems at 96 unmanned (self-service) petrol stations in the network run by AS24, subsidiary of the TOTAL group covering the Grand Ouest, Val de Seine and Ile-de-France regions, representing €180,000 over four years;
- C&A stores: multitechnical, multiservice maintenance for 13 shops in Les Ulis, Créteil, Evry, Belle Epine, Noisy, Barentin, Montpellier, Nancy, Metz, Mulhouse, Toulon, Marseille Grand Littoral, for a total of €310,000 a year.

SPIE's responsiveness and, above all, its ability to provide a consistent nationwide offering were crucial factors in winning over these customers. Contacts :
