Press release

Saint-Ouen Docks - New success for SPIE Ile-de-France Nord-Ouest housing division's teams

Bouygues Bâtiment Ile-de-France Habitat Résidentiel has strengthened its collaboration with the SPIE IFNO (Ile-de-France Nord-Ouest) housing division by entrusting its Plus-Elec subsidiary with high and low-voltage electrical installation work packages for block G1, comprising 363 dwellings, of the Saint-Ouen Docks construction project in France's Seine-Saint-Denis department.

This work on 136 social housing units and 234 dwellings for home buyers is scheduled for completion by mid 2016.

With this new contract - the third for Plus-Elec, this subsidiary of SPIE IFNO housing division has now been entrusted with work on a total of 1,000 of the 1,700 housing units to be provided by this building project.
