Press release

SPIE Est acquires H. GILG & Compagnie

SPIE Est, a subsidiary of SPIE SA, has acquired H. GILG & Compagnie, a company based in Colmar in Alsace that was founded by Henri Gilg in 1951 and is currently run by his son, Jean-Claude Gilg. The company, which specialises in general electrical installation work, mainly in the commercial and home automation sectors, employs 31 people and reported sales of almost €3 million in 2006. As well as strengthening SPIE Est's position in the Centre-Alsace commercial market, thanks to the good fit between its own customer portfolio and that of H. GILG & Cie, this acquisition will also generate additional business from a clientele of regular customers. Contact SPIE SA
